

**W**e'd like to tell you that Marta and Ron just returned from a gourmet restaurant, and that Marta thanked Ron for the dinner by sucking his cock. We'd like to tell you that Marta and Ron are high-fashion models who screwed each other after a day in front of the lens. However, the truth is that we introduced Marta and Ron just minutes before this photo shoot, and they responded like this: Marta sucked the hot cum out of Ron's dick, and Ron fucked Marta until she came at least four times. Don't you wish you had a job like ours?

## SHAUNA SPREADS

*Readers have been screaming for more of sexy blonde Shauna since she appeared in our incredible seven-girl Nymphet '94 feature in our December issue, and the sex-crazed lust queen was happy to once again display her big tits and perfectly trimmed pussy. "When I read my fan mail, I came so hard I got the letters all soggy," says Shauna, blushing about her rise to pussy prominence. "One guy said I was the hottest piece of ass he'd ever seen. A guy with the balls to write that must have a big, hot cock—and I know just what to do with it." Was there ever any doubt?*

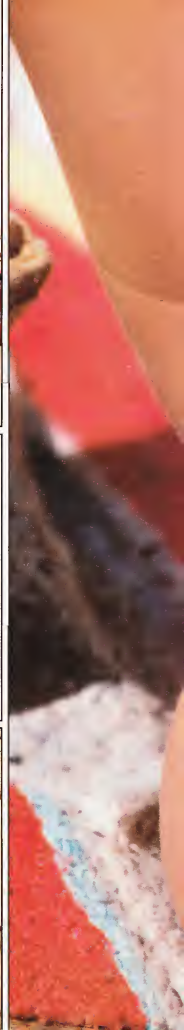

# TEEPEE TITS!

**A**sia Carrera, one of the beauties from our Nymphest '95 spectacular, was easily the most historically minded of our four wet dreams. "I love everything about Native Americans," she says as she lounges in an authentic teepee at the Dry Gulch Ranch. "When I think of all the fucking and sucking that went on here, I get wet and juicy. Oh, I wish I had some American tongue or cock in my pussy!" Sex is best with a partner, but we think Asia's one-squaw show is fucking hot!

# TONISHA & ANGELA DIRTY BLONDES

*P*orn superstar Tonisha Mills is a golden blonde goddess. Porn superstar Angela Summers is a dirty blonde dream. "What a pair of tits," gushes Angela about Tonisha, licking one of her own nipples. "What an incredible ass!" marvels Tonisha about Angela, fingering her own clit. Together, these sex-starved beauties produce a torrent of erotic fervor, as tongue-lapping and finger frigging produces flows of sweet, perfumed cum. Now, Tonisha and Angela are the best of fucking friends. We wouldn't want to get between them...on second thought, we damn sure would!

## Crystal

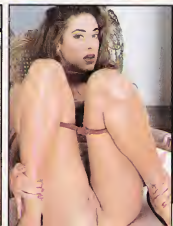

SUMMERCLAM  
November 1994

"Nobody eats hot pussy as well as I do. The best thing that I learned from that amazing SummerClam tourney is how to get a woman off like nobody else can. I'll suck Danielle, Leena, and Jenna dry, and have them beg me to eat them out again."

## Introductions...

To help celebrate our Anniversary, we selected four of our hottest centerfolds from our most amazing multi-girl extravaganzas. Once again, we're proud to present Crystal, Danielle, Leena, and Jenna as they party down and get each other off in our 19th Anniversary Centerfold Reunion.

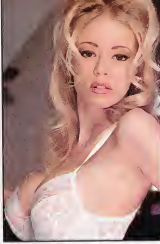

## Danielle

THE BEST LITTLE  
WHOREHOUSE IN THE  
WEST  
February 1995

"I can't wait to get started with this Centerfold Reunion. Just think—I'm going to be able to suck, lick, and finger the same women I've been fantasizing about in every issue of HIGH SOCIETY!"

## Leena

SEX ON THE SADDLE  
January 1995

"Before I try my hand as a top Hollywood actress—I might try some modeling as well—I want to cum and cum and cum. I want to put my hands all over these other babes. I want to eat the pussy of that pretty Jenna, lick Crystal, and make Danielle moan. I might as well go out with a bang, especially with these gorgeous babes!"

## Jenna

NYMPHEST  
December 1993

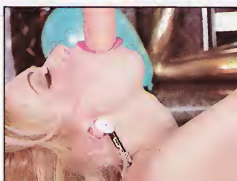

"Ohh, I'm as hot as hell! I want to lick and suck all three of those nude beach babes! People say they love me because I look innocent, but I know better. I know how to eat red-hot steamy pussy better than anyone. When I'm done with this great Centerfold Reunion, the other three girls will lust for me like no one else in the world!"

**W**ho better to get this Reunion of hot sex started than Jenna and Leena, who both practically begged us to take part in this year's big party? When Jenna starts peeling down Leena's shirt, the Italian lust queen is already dripping wet. "Oh, God, I think I'm gonna cum already," Leena screams. "Please eat my pussy, baby!" With that, the lickfest begins, with both women filling their mouths with hot, sweet pussy lips and cream. Not bad for starters!

**W**hen the girls decided to belly up to the bar (far left), we knew things were going to get hot and wet before we could bat an eye. Jenna and Crystal hopped onto the bar to do some pussy bumping (center left) while Leena and Danielle lapped bubbly and pussy (bottom left). When Leena whipped out her collection of dildos and strap-ons (center), the gal-fucking started in earnest. "Harder, faster, baby!" screamed Leena as Jenna pushed a huge double-donged dildo into her quivering snatch. As the fuck fun continued, this quim-loving quartet had the pleasure of sampling every inch of each other's pussies. This group licked, sucked, fingered, and found a warm home for every one of those fun screw toys. And wow—this hot indoor orgy was just the beginning!

## SWEAT LUST

"Before we can have great sex, we've got to warm up," says Jenna as she leads the gals in some light aerobic conditioning (top). Remember, the tighter your pussy, the harder it can cum!" When they heard those words, the centerfolds started working out like demons, spreading their legs and doing the sexiest pelvic thrusts ever viewed. Hey, you don't get to be this hot by sitting in front of the TV watching X-rated videos. "No—you get this sexy by being in them!" laughed Leena.

## sweet & suckulent

Aah, Marin, the one dish you will never lose your appetite for. Her luscious tits beckon you to begin your sensual feast, but you won't stop there. After a generous helping of chest melon, your still hungry mouth quickly finds its way to her main course: her delectable honeypot. Partaking of her love buffet to your cock's content, you decide you've had your fill—but there's always room for dessert.

A woman with dark hair, wearing a black long-sleeved bodysuit, is reclining on a metal chair in a garden. Her legs are raised and bent, and her hands are near her face. Another person with long dark hair is kneeling in front of her, looking up at her. The background is filled with various plants and foliage.

# Parisian PARLOR TRICK

**A** Sunday afternoon in Paris seems to always inspire passion. Such is the case when Francie is discovered by a suited paramour. Not a word is spoken as this stranger simply walks in, begins an erotic massage, then moves to stroke Francie's swollen clit and taste her succulent juices. Actually, it is not a stranger, but Francie's close friend Mimi, who has agreed to become Francie's lover for the day.

**F**ingers in pussies, lips on gushing lips—then on to the electronic toys of pleasure. Francie can't believe a fifth and a sixth orgasm are possible, but she's never enjoyed a lover with Mimi's oral and digital talents. In minutes, their thick brown love patches become sticky and matted with sweet, pungent cum. A whimper, a howl of ecstasy, and they become wanton French creatures of lust.
